

# Laser Marking, Labels, Holograms & Transponders (TAG) Booklet

## Formula 4 M14-F4

V0.1

11/09/2014

## Common-core parts

### Pedal box

| F.41.11     | Formula 4 pedal box             | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|---------------------------------|-----|---------|----------|----------|-----------|
| F.41.11.002 | Pedal box shaft                 | 1   | X       |          |          |           |
| F.41.11.003 | Throttle pedal rest             | 1   | X       |          |          |           |
| F.41.11.007 | Sleeve nut pedal box            | 3   | X       |          |          |           |
| F.41.11.009 | Brake bias                      | 1   | X       |          |          |           |
| F.41.11.011 | Sleeve nut brake bias           | 1   | X       |          |          |           |
| F.41.11.018 | Master cylinder rod prolongator | 3   | X       |          |          |           |
| F.41.11.024 | Clutch pedal rest               | 1   | X       |          |          |           |
| F.41.11.026 | Brake pedal rest                | 1   | X       |          |          |           |
| F.41.11.032 | Long pedal stop rest            | 1   | X       |          |          |           |
| F.41.11.036 | Cable stop bush                 | 1   | X       |          |          |           |
| F.41.11.045 | Foot wedge                      | 1   | X       |          |          |           |
| F.41.11.047 | Pedal board support             | 1   | X       |          |          |           |
| F.41.11.048 | Brake pedal                     | 1   | X       |          |          |           |
| F.41.11.049 | Clutch pedal fork end           | 1   | X       |          |          |           |
| F.41.11.050 | Throttle pedal                  | 1   | X       |          |          |           |
| F.41.11.051 | Throttle pedal fixing           | 1   | X       |          |          |           |
| F.41.11.052 | Throttle pedal front stop       | 1   | X       |          |          |           |
| F.41.11.053 | Spacer throttle pedal           | 1   | X       |          |          |           |
| F.41.11.054 | Pedal stop                      | 2   | X       |          |          |           |
| F.41.11.055 | Clutch pedal                    | 1   | X       |          |          |           |
| F.41.11.056 | Long spacer pedal stop          | 2   | X       |          |          |           |

### Gearbox

| F.41.12     | Formula 4 gearbox             | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|-------------------------------|-----|---------|----------|----------|-----------|
| F.41.12.015 | Clutch release                | 1   | X       |          |          |           |
| F.41.12.017 | Complete driveshaft           | 2   | X       | X        |          |           |
| F.41.12.021 | Clutch reservoir support      | 1   | X       |          |          |           |
| F.41.12.049 | Dowel bellhousing to gearbox  | 2   | X       |          |          |           |
| F.41.12.055 | Spacer clutch master cylinder | 2   | X       |          |          |           |

### Front-wheel axle unit

| F.41.14     | Formula 4 front-wheel unit       | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|----------------------------------|-----|---------|----------|----------|-----------|
| F.41.14.001 | Antiroll bar Ø14                 | 2   | X       | X        |          |           |
| F.41.14.002 | Washer, antiroll bar             | 4   | X       |          |          |           |
| F.41.14.004 | Bracket, antiroll bar            | 4   | X       |          |          |           |
| F.41.14.005 | Front link adjuster              | 2   | X       |          |          |           |
| F.41.14.008 | Upper plate, front rocker        | 2   | X       |          |          |           |
| F.41.14.009 | Lower plate, front rocker, left  | 1   | X       |          |          |           |
| F.41.14.010 | Lower plate, front rocker, right | 1   | X       |          |          |           |
| F.41.14.011 | Front rocker shaft               | 2   | X       |          |          |           |
| F.41.14.012 | Rocker spacer                    | 14  | X       |          |          |           |
| F.41.14.013 | Rocker spacer, lower front       | 2   | X       |          |          |           |

| F.41.14     | Formula 4 front-wheel unit        | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|-----------------------------------|-----|---------|----------|----------|-----------|
| F.41.14.018 | Rocker hub                        | 4   | X       | X        |          |           |
| F.41.14.020 | Front rocker washer               | 6   | X       |          |          |           |
| F.41.14.028 | Adjuster                          | 6   | X       | X        |          |           |
| F.41.14.030 | Bracket, front damper             | 2   | X       |          |          |           |
| F.41.14.032 | Upright                           | 4   | X       | X        |          |           |
| F.41.14.057 | Camber shim 2 mm                  | 4   | X       |          |          |           |
| F.41.14.060 | Steering arm                      | 2   | X       | X        |          |           |
| F.41.14.061 | Bracket, pushrod on upright       | 2   | X       | X        |          |           |
| F.41.14.062 | Suspension bracket                | 12  | X       | X        |          |           |
| F.41.14.063 | Spacer, suspension bearing        | 48  | X       |          |          |           |
| F.41.14.064 | Spacer, suspension bearing, large | 4   | X       |          |          |           |
| F.41.14.065 | Lower upright pin                 | 4   | X       |          |          |           |
| F.41.14.066 | Upper washer, upright pin         | 4   | X       |          |          |           |
| F.41.14.067 | Lower upright washer              | 4   | X       |          |          |           |
| F.41.14.069 | Spacer, damper                    | 16  | X       |          |          |           |
| F.41.14.075 | Bush, front wishbone bracket      | 8   | X       |          |          |           |
| F.41.14.076 | Front wheel stud                  | 2   | X       |          |          |           |
| F.41.14.077 | Drive peg                         | 16  | X       |          |          |           |
| F.41.14.079 | Washer, wheel nut                 | 4   | X       |          |          |           |
| F.41.14.080 | Wheel nut                         | 4   | X       |          |          |           |
| F.41.14.083 | Front lower wishbone, left        | 1   | X       | X        |          |           |
| F.41.14.084 | Front lower wishbone, right       | 1   | X       | X        |          |           |
| F.41.14.085 | Front upper wishbone              | 2   | X       | X        |          |           |
| F.41.14.086 | Front pushrod                     | 2   | X       | X        |          |           |
| F.41.14.087 | Steering track rod                | 2   | X       | X        |          |           |
| F.41.14.097 | Spacer, lower upright pin         | 2   | X       |          |          |           |
| F.41.14.100 | Adjustment clevis, antiroll bar   | 4   | X       |          |          |           |

### Rear-wheel axle unit

| F.41.15     | Formula 4 rear-wheel unit       | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|---------------------------------|-----|---------|----------|----------|-----------|
| F.41.15.001 | Rear lower wishbone, left       | 1   | X       | X        |          |           |
| F.41.15.002 | Rear lower wishbone, right      | 1   | X       | X        |          |           |
| F.41.15.003 | Rear upper wishbone             | 2   | X       | X        |          |           |
| F.41.15.004 | Rear pushrod                    | 2   | X       | X        |          |           |
| F.41.15.015 | Rear wishbone mount             | 2   | X       | X        |          |           |
| F.41.15.016 | Suspension bracketlet, offseted | 4   | X       | X        |          |           |
| F.41.15.018 | Rear axle rocker                | 2   | X       |          |          |           |
| F.41.15.019 | Rear rocker plate               | 4   | X       |          |          |           |
| F.41.15.021 | Rear link adjuster              | 2   | X       |          |          |           |
| F.41.15.022 | Bracket, rear damper            | 2   | X       |          |          |           |
| F.41.15.027 | Rear rocker stud                | 2   | X       |          |          |           |

## Steering

| F.41.16     | Formula 4 steering             | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|--------------------------------|-----|---------|----------|----------|-----------|
| F.41.16.001 | Steering column                | 1   | X       | X        |          |           |
| F.41.16.003 | Spacer, 10mm, steering wheel   | 1   | X       |          |          |           |
| F.41.16.007 | Steering rack, complete        | 1   | X       | X        |          |           |
| F.41.16.009 | Ball joint, steering rack      | 2   | X       |          |          |           |
| F.41.16.010 | Rask bush                      | 2   | X       |          |          |           |
| F.41.16.012 | Locknut, steering rack         | 2   | X       |          |          |           |
| F.41.16.025 | Steering column joint assembly | 1   | X       | X        |          |           |
| F.41.16.032 | Steering column bracket        | 1   | X       | X        |          |           |
| F.41.16.033 | Steering rack bracket          | 2   | 2       | 2        |          |           |

## Brakes

| F.41.17     | Formula 4 brakes                          | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|---|-----|---------|----------|----------|-----------|
| F.41.17.001 | Brake disc                                | 4   | X       |          |          |           |
| F.41.17.002 | Brake caliper, trailing left              | 2   | X       |          |          |           |
| F.41.17.003 | Brake caliper, trailing right             | 2   | X       |          |          |           |
| F.41.17.004 | Brake pads, standard (box of 4)           | 2   | X       |          |          |           |
| F.41.17.005 | Brake pads, medium (box of 4)             | 2   | X       |          |          |           |
| F.41.17.006 | Brake pads, high friction (box of 4)      | 2   | X       |          |          |           |
| F.41.17.007 | Brake pads, very high friction (box of 4) | 2   | X       |          |          |           |
| F.41.17.008 | Brake pads, endurance (box of 4)          | 2   | X       |          |          |           |

## Chassis

| F.41.18     | Formula 4 chassis                     | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|---------------------------------------|-----|---------|----------|----------|-----------|
| F.41.18.002 | Cover plate, fuel tank access         | 1   | X       |          |          |           |
| F.41.18.003 | Cover plate, extinguisher and battery | 1   | X       |          |          |           |
| F.41.18.007 | Monocoque                             | 1   |         |          | X        | Supplier  |

## Safety parts

| F.41.19     | Formula 4 safety components     | Qty | Marking | Hologram | TAG disc | TAG label |
|-------------|---------------------------------|-----|---------|----------|----------|-----------|
| F.41.19.001 | Front crashbox                  | 1   |         |          |          | Supplier  |
| F.41.19.002 | Rear crashbox                   | 1   |         |          |          | Supplier  |
| F.41.19.003 | Nose cap                        | 1   |         |          |          | Supplier  |
| F.41.19.004 | Bracket, head restraint         | 2   | X       |          |          |           |
| F.41.19.009 | Head restraint                  | 1   |         |          |          | X         |
